Sam

Samantha McDonald
Director of Government Relations
Independent Petroleum Association of America

Ex. 6 / [Visit IPAA](#) / [Visit ESA Watch](#)

April 9, 2018

The Honorable Mitch McConnell
United States Senate
Washington, D.C. 20510

The Honorable Charles Schumer
The United States Senate
Washington, D.C. 20510

Dear Leaders McConnell and Schumer:

The Independent Petroleum Association of America (IPAA) supports the nomination of Andrew Wheeler to be Deputy Administrator at the Environmental Protection Agency and looks forward to the advancement of his nomination to the full Senate for consideration.

Mr. Wheeler's substantial public service experience focused on environmental policy make him an excellent choice to help lead EPA. IPAA has specific experience working with Mr. Wheeler since his Committee on Environment and Public Works subcommittee role with then-Senator George Voinovich and throughout his subsequent full Committee staff roles with Senator James Inhofe. He has a deep understanding of the issues facing EPA from these experiences and his earlier employment at the agency. He has a proven history as a sound and responsible public servant and will bring these attributes back to EPA.

Confirming Mr. Wheeler would set EPA on path towards greater implementation of the "Back-to-Basics Agenda." As such, IPAA urges the Senate to approve this nomination.

Sincerely,

Barry Russell
President & CEO

cc: Members of the U.S. Senate

Hi Christian,

It was great meeting you last week. Deck and I wanted to follow up with Sarah Greenwalt on an issue, do you have her contact info? I wanted to make sure it was the standard EPA email before I blindly fire off an email.

We should get lunch some time. This week is a bit of a dead zone for me if you have time.

Thanks,

Rachel

Subject: Invitation to give a plenary talk at PCC-2017

Importance: High

Dear Dr. Palich,

On behalf of the International Pittsburgh Coal Conference (PCC), I'm very pleased to confirm the invitation extended to you by **Dr. Tarunjit Butalia**, OSU to present a plenary talk at the 34th International Pittsburgh Coal Conference to be held at *Sheraton Pittsburgh Hotel at Station Square* in Pittsburgh, PA, September 5-8, 2017. The theme of the conference, *Coal – Energy, Environment and Sustainable Development* expresses the purpose of the conferees to exchange information on current research and technology development that will allow the world's coal resources to be used in a way that meets societal and environmental needs. The perspective that you will provide will help to frame these key issues for the subsequent technical sessions of the conference.

The plenary lecture series will consist of three sessions (one each day) on the topics of *Energy Production and Policies* (September 6), *International Issues* (September 7), and *Environmental Issues* (September 8). Your plenary talk will be presented in the session scheduled on the morning of September 8. Each plenary lecture is scheduled for 30 minutes, followed by 15 minutes of general discussion. Please send me a title for your talk.

We look forward to the confirmation of your acceptance of this invitation. Detailed information will be sent to you from the conference office concerning the full conference schedule, including registration, accommodations, and associated events. These details can also be found in the Conference web site <http://www.enr.pitt.edu/pcc/>. As a courtesy of our conference, we will waive the registration fees (\$800) for plenary session speakers.

Please contact me (Ex. 6) or the Conference Office (412-624-7440), if we can be of assistance concerning your plenary lecture. We look forward to seeing you in Pittsburgh this fall.

With best regards,

Badie Morsi
Professor and Executive Director of the PCC

Christian,

Hi, it's Kevin Bogardus with E&E News.

I'm working on a piece about you joining EPA this week as a deputy associate administrator in the agency's Office of Congressional and Intergovernmental Relations.

I don't have any questions for you but I wanted to give you a heads up about the piece. That said, if you do want to share some thoughts, I would be happy to add them to the piece.

If you do want to comment, please get back to me as soon as possible. My deadline is 12:30 pm EST today but the sooner you get back to me, the more it helps my reporting. Thank you for your help.

Subject: Invitation to give a plenary talk at PCC-2017
Attachments: PCC-Call-For-Abstracts-2017.pdf

Importance: High

Dear Dr. Palich,

On behalf of the International Pittsburgh Coal Conference (PCC), I'm very pleased to confirm the invitation extended to you by **Dr. Tarunjit Butalia**, OSU to present a plenary talk at the 34th International Pittsburgh Coal Conference to be held at *Sheraton Pittsburgh Hotel at Station Square* in Pittsburgh, PA, September 5-8, 2017. The theme of the conference, *Coal – Energy, Environment and Sustainable Development* expresses the purpose of the conferees to exchange information on current research and technology development that will allow the world's coal resources to be used in a way that meets societal and environmental needs. The perspective that you will provide will help to frame these key issues for the subsequent technical sessions of the conference.

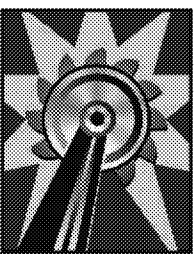

The plenary lecture series will consist of three sessions (one each day) on the topics of *Energy Production and Policies* (September 6), *International Issues* (September 7), and *Environmental Issues* (September 8). Your plenary talk will be presented in the session scheduled on the morning of September 8. Each plenary lecture is scheduled for 30 minutes, followed by 15 minutes of general discussion. Please send me a title for your talk.

We look forward to the confirmation of your acceptance of this invitation. Detailed information will be sent to you from the conference office concerning the full conference schedule, including registration, accommodations, and associated events. These details can also be found in the Conference web site <http://www.engr.pitt.edu/pcc/>. As a courtesy of our conference, we will waive the registration fees (\$800) for plenary session speakers.

Please contact me (Ex. 6) or the Conference Office (412-624-7440), if we can be of assistance concerning your plenary lecture. We look forward to seeing you in Pittsburgh this fall.

With best regards,

Badie Morsi
Professor and Executive Director of the PCC

P C C

Thirty Fourth Annual International PITTSBURGH COAL CONFERENCE

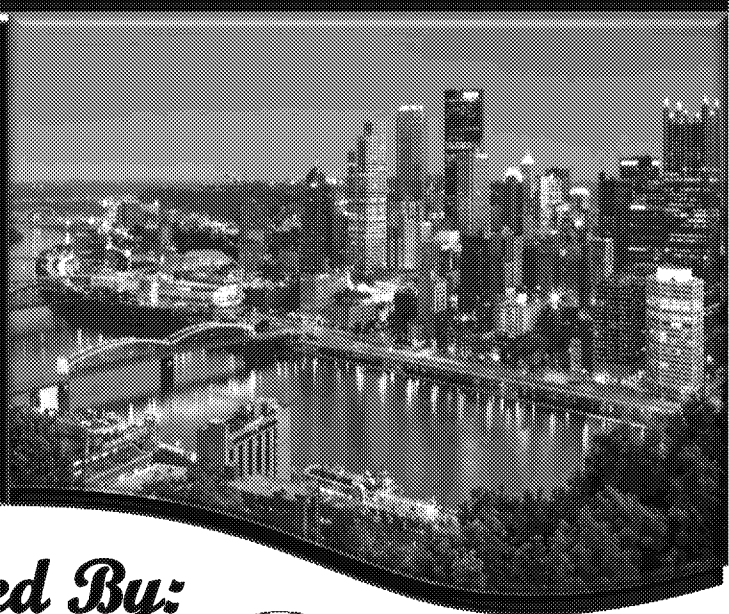

Conference Announcement and Call for Papers

Abstracts Deadline March 31 2017

September 5 – 8, 2017
Sheraton Station Square
Pittsburgh, PA USA

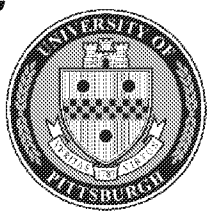

Coal – Energy, Environment and Sustainable Development

Hosted By:

University of Pittsburgh
Swanson School of Engineering

Program Topics

1. Gasification Technologies

- Industrial Applications, Economics and Environmental Issues
- Underground Coal Gasification (UCG)
- Synthesis Gas Cleanup
- Gasification Science and Modeling
- Novel Classification Technologies and Concepts
- Co-Gasification of Coal and other Carbon-Based Fuels
- Systems Analysis
- Low Rank Coal Utilization
- Polygeneration

2. Clean Coal Demonstration and Commercial Projects

- Existing and planned clean coal major demonstrations (process and technology demonstrations, i.e. IGCC, SCPC, USC, SNG, CTL, Oxy-combustion, etc.)
- Existing and planned clean coal commercial projects (fully integrated systems) and trends
- Industrial scale and utility scale carbon capture and carbon storage projects (i.e. >250,000 tons/year of CO₂)
- Lessons learned from technology demonstrations and first commercial deployments
- Intermediate scale demonstrations (i.e., 25-50 Mwe)
- Commercially available technology reviews/updates (Vendor reports on advanced technology commercial offerings)
- Financing, business and risk management strategies for major demonstration and commercial projects, including first-of-a-kind projects with or without carbon capture and storage
- Regulatory impacts on major demonstration and commercial projects
- Insurance strategies for CO₂ capture and geologic storage

3. Combustion Technologies

- Industrial Applications and Environmental Issues
- Flue Gas Clean Up and Ash Chemistry
- Combustion Technology Advancements (Pulverized Coal, Fluidized Beds, Co-Firing, etc.)
- Novel Combustion and Cycle Technologies (Oxyfuel, Chemical looping, CO₂ Cycles, etc.)
- Modeling and Economic Evaluation
- Basic Studies, Materials, and Instrumentation

4. Clean Coal and Gas to Fuels

- Coal-To-Liquids Fuels, CTL (Direct Liquefaction, Fischer-Tropsch, MTG, DME, etc.)
- Gas-To-Liquid, GTL
- Substitute Natural Gas (SNG)

- Hydrogen Production
- Syngas to Power (Gas Turbines, Fuel Cells)
- Syngas to Chemicals/Materials

5. Sustainability and Environment

- Energy Production and Water Use – Conservation and Recycle
- Life Cycle Analysis (LCA) or Energy Production Systems
- Energy Production on the Environment
- Energy Sustainability – Efficiency and Conversation to Reduce GHG
- GHG, Inventory Protocol, Legal and Regulatory Considerations, Credits

6. Carbon Management

- Pre-Combustion Capture
- Post-Combustion Capture
- CO₂ Sequestration (Monitoring, Mitigation and Verification; Storage: Depleted Oil/Gas Reservoirs, Aquifers, Basalt, Coal Bed Methane, etc.)
- Transportation Infrastructure Issues
- Legal and Regulatory Issues
- Carbon Footprint Comparison: CTX (DCL/ICL), Petroleum

7. Coal Science

- Chemistry
- Geoscience/Coal Resources
- Trace Elements/Emission
- Coal Processing
- Coal Preparation
- Coal Utilization
- Coal Utilization By-Products (Ash, Fertilizers, etc.)

8. Coal Mining

- Coal Seam and Coal Mine Methane/Gas Management in Coal Mines
- Geological Issues Related to Coal Mining/Properties of Coal-Measure Rocks/Ground Behavior
- Coal Mining and Reclamation
- Mine Safety

9. Coal Bed Methane and Shale Gas

- Geology
- Exploration
- Resources and Reserves
- Drilling and Production
- Completion Methods
- Gas Quality and Processing
- Environmental Impacts
- Abating Methane Emissions from Gas and Coal Production

Program Topics

10. Power Plants (Fired by any fossil and biomass fuels)

- Thermodynamic and economic analysis
- Boiler technology and design
- Steam turbine technology (reheat, regeneration, steam seals, blade aerodynamics)
- Gas Turbines technology (syngas or hydrogen-rich combustion, compressor aerodynamics, turbine blade heat transfer, materials)
- Heat Recovery Steam Generator (HRSG)
- Condenser design and operation
- Cooling tower design and improvements
- Water treatments
- Post combustion gas cleaning
- IGCC integration and components (ASU, gasifiers, syngas cooling, gas clean up, water gas shift, and desulfurization)
- Oxy-fuel combustion plants
- Organic Rankine Cycle (ORC)
- Combined Heating and Power (CHP)
- Energy storage (CAES, ice)
- Power Plants Operation and Maintenance experiences
- Any other or innovative new cycles (supercritical CO₂ cycles, HAT, etc.)

11. Rare Earth Elements in Fossil Fuel Derived Solids and Liquids

This symposium will cover several aspects of the rare earth elements associated with the exploration, recovery, and utilization of coal, petroleum, and natural gas. Topics will include, but not limited to:

- Rare earth element capture/recovery from fossil fuel derived solids and liquids
- Rare earth elements in coal and petroleum fuels
- Rare earth element chemistry in power systems
- Mining waste
- Fly ash and slag
- Separation methods
- Rare earth geochemistry
- Measurement and characterization: challenges and solutions
- Modeling
- Mining and recovery methods in industry
- Status of supply and trade
- Emerging issues

Submission of Abstract

Papers may be submitted in all subject areas dealing with coal technologies and related policy issues.

To qualify for acceptance, please email a one-page abstract to ipcc@pitt.edu

Deadline March 31, 2017

Please submit your abstract using the template found [here](#).

The abstract must include sufficient content and information for adequate evaluation by the International Pittsburgh Coal Conference Program and South African Committee.

Advisory Board

Richard Bajura, West Virginia University, USA
Joseph Bittinger, American Electric Power, USA
Vann Bush, Gas Technology Institute, USA
Tarunjit Butalia, The Ohio State University, USA

Mike Jones, Lignite Energy Council, USA
Holly Krutka, Shenhua Science and Technology, USA
Francis Lau, Synthesis Energy Systems, USA
Wenhua Li, NICE, CHINA
Ke Liu, NICE, CHINA

Badie I. Morsi, University of Pittsburgh, USA
Masakatsu Nomura, Osaka University, JAPAN
Guven Onal, Istanbul Technical University, TURKEY
Massood Ramezan, KeyLogic Systems, Inc., USA, USA
Felicia Ruiz, U.S. EPA, USA
Leslie Ruppert, U.S. Geological Survey, USA
Thomas Sarkus, U.S. DOE/NETL, USA
Alan Scaroni, Pennsylvania State University, USA
Chunshan Song, Penn State University, USA
Gary Stiegel, Consultant, USA
Sam Tam, DOE (Fossil), USA
Johan van Dyk, Africary, SOUTH AFRICA
Frans Waanders, North West University, SOUTH AFRICA
Ting Wang, University of New Orleans, USA
Richard Winschel, CONSOL Energy Inc., USA

Proceedings

The Thirty-Fourth Annual International Pittsburgh Coal Conference Proceedings will be published online which will be available after the conference.

For a paper to be included in the Conference Proceedings, your paid registration and complete manuscript in English, must be sent by email to the conference office prior to the conference.

A Note to Authors

The Pittsburgh Coal Conference does not provide financial support to contributing authors. Benefits from participation include the privilege of presenting a paper at this Conference and publication of the paper in the Conference Proceedings for worldwide distribution.

Oral Presentation & Posters

Each author is allowed 20 minutes including a 5 minute discussion period. The conference will provide computers and projectors for PowerPoint presentations. Video and other equipment may be rented by the Conference at the speaker's expense.

Hotel Information

Sheraton Pittsburgh Hotel at Station Square

The Sheraton Pittsburgh is located on the waterfront, in the heart of a 52-acre riverfront complex that includes Station Square restaurants, entertainment and many things to do in Pittsburgh just steps away.

Relax in Pittsburgh's only riverfront hotel, adjacent to 20 restaurants within the Shops at Station Square, Bessemer Court and the Gateway Clipper Riverboat fleet. Experience exceptional service while having easy access to downtown Pittsburgh offices and attractions such as Heinz Field, PNC Park, the Rivers Casino, David L. Lawrence Convention Center and more!

Guest Room Facilities

Comfort and convenience merge in our relaxing Traditional Guest Rooms. Reserve a Traditional Guest Room, filled with residential décor perfectly designed for work or rest, and choose from one king or two double Sheraton Signature bed options. Enjoy comfortable contemporary furnishings and complimentary high speed wireless internet access during your stay. Traditional Guest Rooms are available with atrium and exterior views.

Sheraton Pittsburgh Hotel at Station Square

General Info

Check in time: 3:00 pm
Check out time: 12:00 pm
Self parking \$25/night
Fitness center with an indoor pool

Location

Address: 300 W Station Square Dr., Pittsburgh, PA, 15219 USA
Phone: +1 (412) 261-2000
Website: <http://www.sheratonpittsburghstationssquare.com/>

Directions from Pittsburgh International Airport (PIT):

(Travel Distance: Approximately 20.92 km/13.0 miles)

Take 376 East to Exit 69C
Turn right and continue for approximately one mile
Turn right and follow sign for Route 51 North – McKees Rocks/West End
Be in the right lane at the light
At next T-intersection, turn right toward Carson Street
The hotel is approximately 1.5 miles on the left

Options for getting to and from the hotel include:

SuperShuttle

Fee: \$24 USD; one way trip from airport to hotel in shared van.
Hours: 24 hours
Contact: (1)(800) 258-3826

Rates

To qualify for the special PCC rates, please book **before August 14, 2017** and use the link provided below.

\$149

Single or double per night

[Click here to book the Sheraton
with the PCC special rate!](#)

Registration

Please register on the following link:
[PCC Registration Page](#)

Upon receiving your online **paid** registration, you will receive a receipt. Upon receiving your **unpaid** online registration, you will receive an invoice. We accept VISA, Mastercard, American Express, wire transfers, and checks. Please note your attendance will not be confirmed until payment is received.

Registration Rates for 2017:

	Registration Before May 1, 2017	Registration After May 1, 2017
TYPE	USD	USD
Presenters, Board Members, Vice Chairs	\$700	\$800
General Public	\$850	\$950
One Day Registration	\$450	\$500
Student	\$400	\$500

May 10, 2017

The Honorable Scott Pruitt, Director
Environmental Protection Agency
1000 Independence Ave. SW
Washington DC 20585

Dear Director Pruitt:

The Virginia Coal & Energy Alliance and Southern States Energy Board invite you to deliver the Keynote Address at their 38th annual joint conference and exposition, May 22 - 23, 2017 at the Meadowview Convention Center in Kingsport, Tennessee. The theme for this year's meetings is "Coal: Launching a New Era." We want you to be the keynote speaker Monday morning however, if Tuesday is a better day for you that's alright with us.

The Virginia Coal & Energy Alliance is an organization dedicated to promoting coal through education and public awareness programs. VCEA has a long and rewarding relationship with the U.S. Department of Energy; the Southern States Energy Board; International Energy Agency's Coal Industry Advisory Board; National Mining Association; National Coal Council, and the many organizations representing coal-producing states and the industry. The Alliance also works with universities and colleges advocating energy education programs. VCEA has partnered with Virginia Tech's Powell River Research & Education Research Center for 23 years, sponsoring a summer energy education program for teachers – "Project Coal & Gas: Production & Usage."

The Southern States Energy Board (SSEB) is a non-profit interstate compact organization created in 1960 and established under Public Laws 87-563 and 92-440. The Board's mission is to enhance economic development and the quality of life in the South through innovations in energy and environmental policies, programs and technologies. Sixteen southern states and two territories comprise the membership of SSEB: Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Maryland, Mississippi, Missouri, North Carolina, Oklahoma, Puerto Rico, South Carolina, Tennessee, Texas, U.S. Virgin Islands, Virginia and West Virginia. Each jurisdiction is represented by the governor and a legislator from the House and Senate. A governor serves as the chair and legislators serve as vice-chair and treasurer. Ex-officio non-voting Board members include a federal representative appointed by the President of the United States, the Southern Legislative Conference Energy and Environment Committee Chair and SSEB's executive director, who serves as secretary. The Board has maintained a Regional Committee on Coal Energy Policies and Technologies since 1984, enabling Southern states and industry to input coal R & D, state and federal regulatory policies, clean coal technologies and advanced power systems. SSEB's successful coal-based carbon capture and storage demonstration project at Plant Barry near Mobile, Alabama, is being scaled to commercial level at the new Petra Nova plant in Texas, saving millions of dollars in new technology development.

Robert Murray, CEO, Murray Energy, Congressmen Phil Roe and Morgan Griffith were guest speakers at last year's conference event. The meeting usually has 250 plus attendees. In past years, we have had larger crowds however the industry has changed significantly as you are well aware.

Director Scott Pruitt
May 10, 2017

We have invited speakers representing coal, gas, power, transportation, economic energy analysis, and political leaders, who will address the ever-changing coal/energy industries and the impact on coal communities. A working copy of the program is attached.

We would be honored to have you provide the Keynote Address at VCEA and SSEB's 38th annual meeting. Should you need additional information about the organizations, or the past meetings, please do not hesitate to contact the offices of Congressmen Morgan Griffith or Phil Roe to learn more about the Virginia Coal & Energy Alliance and the Southern States Energy Board. We look forward to a favorable response at your earliest convenience.

Present

“Coal: Launching a New Era”

38th Annual Conference & Expo

May 22 and 23, 2017

MeadowView Conference Resort & Convention Center

Kingsport, TN

As of 4-26-17

EARLY REGISTRATION – May 21, 2016 (SUNDAY)

3:00 p.m. until 6:00 p.m. Exhibitors set up displays

DAY 1 – May 22, 2017 (MONDAY)

7:30 a.m.

REGISTRATION

The Business Session and Exhibits will be located in the Ballroom

CONTINENTAL BREAKFAST - In Grand Ballroom

8:00 a.m.

OPENING SESSION

8:05 a.m.

WELCOME: Jeff Taylor, Chairman, Virginia Coal & Energy Alliance

WELCOME: Kenneth Nemeth, Executive Director Southern States Energy Board

KEYNOTE SESSION

The Honorable Scott Pruitt, Environmental Protection Agency (Invited)

The Honorable Phil Roe, U. S. House of Representatives (TN)

The Honorable Morgan Griffith, U. S. House of Representatives (VA)

9:00 a.m.

QUESTIONS & ANSWERS

9:10 a.m.

Dr. Michael Karmis, Virginia Tech

William “Bill” Murray, DOMINION Energy

David Lawson, Norfolk Southern Corp.

Christian Beam, Appalachian Power/AEP

Jeff Taylor, Omega Holdings (Invited)

12:00 noon

QUESTIONS & ANSWERS

12:15 p.m.

LUNCH at Cattails

12:30 p.m.

FISHING TOURNAMENT – TVA Ramp – Boone Dam Lake

1:00 p.m.

GOLF OUTING - Cattails at MeadowView Golf Course - Kingsport, TN

AFTERNOON BUSINESS SESSION:

- 1:00 p.m. **Clean Coal Energy Policies and Technologies**
Moderator: **Rocky Adkins**, Kentucky House of Representatives
Presenters: **Joe Giove**, DOE Representative in New Administration
 Shannon Angielski, Carbon Utilization Research Council & Congressional Action
- 2:30 p.m. Networking Break
- 2:45 p.m. Clean Coal Policies & Opportunities
Moderator: **Rocky Adkins**, Kentucky House of Representatives
Presenters: **Matt Larson**, WBK, *Market Incentives for Coal Generation*
 Matt Usher, AEP, *Technology Changes in Coal Generation*
 Brooks Smith, Troutman Sanders, *Legal & Regulatory Outlook for Coal*
 Danny Gray, Charch, *Coal Ash Opportunities*
- 4:45 p.m. Issues & Priorities Roundtable
Moderator: **Rocky Adkins**, Kentucky House of Representatives
- 5:15 p.m. Meeting adjourns
- 6:30 p.m. to 8:30 p.m. **OPENING RECEPTION** in Ballroom / Exhibit area

DAY 2 – May 23, 2017 (TUESDAY)

- 7:30 a.m. **REGISTRATION**
The Business Session and Exhibits will be located in the Ballroom
CONTINENTAL BREAKFAST - In Grand Ballroom
- 8:00 a.m. **CALL TO ORDER: Jeff Taylor**, Chair, VCEA & Omega Holdings
 KEYNOTE SPEAKERS
 Dr. Grace Bochenek, National Energy Technology Laboratory
 Janet Gellici, National Coal Council
 Robert Weaver, SunCoke Energy
 Dr. Roe-Hoan Yoon, Virginia Tech
 Jeff Bobeck, Global CCS Institute
- 9:55a.m. Networking Break
- 10:00 a.m. Clean Coal Technologies in Operation
Moderator: **Senator Eddie Joe Williams**, Arkansas Senate
Presenters: **Dr. Karen Obenshain**, EEI -- *Utility Planning in a New Are for Coal*
 Dr. Richard Wolfe, Carbonite Corporation
 Brian Anderson, WVU (Invited)
- 12:15 p.m. Concluding Remarks
Kenneth Nemeth, SSEB and Jeff Taylor, VCEA
- 12:30 p.m. Adjourn

**Virginia Coal & Energy Alliance
&
Southern States Energy Board's
38th Conference & Exposition
May 22 and 23, 2017
MeadowView Convention Center
Kingsport, TN
SPEAKERS**
